Gorseinon & Llwchwr's

CHRISTMAS LANTERN MAKING WORKSHOPS

GORSEINON'S 7TH CHRISTMAS
TUESDAY
1st
DECEMBER
6.30PM
LANTERN PARADE

AT A VENUE NEAR YOU DURING THE WEEKS OF

9th, 16th & 23rd NOVEMBER

You only need to attend two sessions to create a lantern.
See the back for full details

Don't miss out, make sure that you and your family are part of this year's Lantern Parade by taking part in a workshop near you!

Gorseinon College

Gorseinon Development Trust

Gorseinon & Llwchwr's Seventh Annual Lantern Parade - The Biggest Christmas Street Party Ever!

This is your opportunity to become involved with this year's Lantern Parade. Last year over 4,500 people from all over Swansea came to Gorseinon to see a host of lanterns. The whole of the High street was filled with in excess of 200 lanterns of varying shapes and sizes. It doesn't matter if you have never taken part in a Lantern Making Workshop before or if you are an old - hand all are welcome. There will be volunteers on hand for guidance on constructing the lanterns at each workshop. There are also Open Sessions at the Welfare Hall, Loughor and Canolfan Gorseinon Centre on Saturday leading up to the Parade.

Cost?
This year, as we do not have the additional funding we will be inviting you to make a donation of £5.00 per lantern which will help to pay for some of the resources.

Interested? - The next stage
Take part in a Lantern Making Workshop with your child/children running at your school or in the open session (see opposite for dates and times). You will need to attend two sessions to complete your lantern (or approximately 4 hours if you attend the open sessions). They are really easy to make and those who have taken part in previous parades found that the experience provided a great opportunity to work together with their child/children in a creative and fun environment. (Unfortunately we cannot accept children under the age of 12 who are not accompanied by an adult in the workshop of the parade.)

When you have created your lantern you then need to be available on **Tuesday 1st December at 6.30pm** to be a part of the procession that will parade through Gorseinon. We are having all the roads closed so that we can create a real party and community atmosphere with bands, and hopefully lots of amazing shaped lanterns.

It's your town and we want **you and your family** to be involved, to make this the biggest Christmas street party ever! Remember you do not have to be a child to take part in the workshops; the open sessions at the Loughor Welfare Hall and Gorseinon Development Trust are available to anyone - young and old alike.

If you need more information then ring the **Gorseinon Development Trust Telephone: (01792) 897657**

Hope to see you there
